

Market Range Detail - Nurse - Correctional Health

Effective Date

November 19, 2007

Market Range Title Description

Positions in this market range title are responsible for providing professional, direct patient, nursing care in a Correctional setting through the application of standards of care in current nursing practices by utilizing the nursing process to care for patients within an assigned unit. Primary duties typically include observing and assessing the needs of patients, implementing appropriate care, administering medications and/or immunizations as prescribed, providing health related education, and coordinating care planning with other disciplines. Additionally, incumbents may be required to recognize acute care criteria, perform concurrent review for inpatients to determine appropriate level of care and utilization of services, and develop discharge plans to ensure that quality, cost effective services are provided. May be required to function as a unit charge nurse or provide supervisory services to other patient service positions.

Glossary:

Market Range Title: Broad grouping of related positions with like job responsibilities and qualifications. Market Range Titles typically include positions ranging from entry level to senior/lead level unless indicated otherwise.

Effective date: The date the salary range was implemented for use.

Market Range Title Description: Broad description of sample job duties and responsibilities of positions included in the Market Range Title. Each position included in a Market Range Title also has a job description that is specific to the department. Departments are responsible for writing and maintaining job descriptions for positions in their department. Employee Compensation is responsible for writing and maintaining Market Range Title Descriptions.

Likely Minimum Qualifications: Typical minimum qualifications for positions assigned to the Market Range Title. Because a broad group of jobs in different departments are included in a Market Range Title, minimum and preferred qualifications may vary slightly depending on the area of assignment.

Market Range: The minimum, midpoint, and maximum salary points for all positions included in the Market Range Title.

Hiring Range: The hiring range for all positions is ordinarily the minimum of the market range to the midpoint. The use of a different hiring range must be approved by Employee Compensation. Departments should use a hiring range that is within their funding capabilities and are required to comply with the County's Funded Position Policy ensuring that applicants are extended a rate that is supported by the department's budget.

Working Title: The specific title used by a department to identify a position within their organizational structure. Use of working titles is flexible and aimed to assist departments in identifying the unique functions and responsibilities of each position and is representative of the assigned Market Range Title. Ordinarily, supervisory and/or managerial titles should not be used for positions not assigned to a supervisory and/or manager Market Range Title.
